Dear Colleagues:

Thank you for your willingness to serve, or to continue to serve on the Gender Equity Council in 2009-2010. The Gender Equity Council serves as a group to guide implementation of initiatives and strategies that improve representation of women in faculty, academic professional, graduate student, and leadership roles at the university. The Council also works to promote local and global gender equity issues across campus, and to assess progress toward campus goals in the area of gender. Gale Summerfield and Kathryn Anthony have agreed to co-chair this important committee.

Your willingness to serve on the Council is very much appreciated.

  
Richard Herman  
Chancellor

  
Robert Easter  
Interim Provost and  
Vice Chancellor for Academic Affairs
